EXPERIENCE

Social Media & Content Operations (Communications & Marketing)

June 2023 – Oct 2025

Faculty of Engineering & Science, University of Greenwich

Greenwich, London

- Directed multi-channel digital communications across social media (Instagram, TikTok, LinkedIn) and digital mailers, producing high-impact video case studies, digital newsletters, and visual campaign assets.
- Collaborated with researchers and project leads to translate complex topics into accessible stories; proofread copy, managed editorial deadlines, and evaluated performance metrics to optimize outreach.
- Monitored digital media coverage and cultural trends, compiling regular performance reports to enhance brand visibility, inform content schedules, and align communications with institutional priorities.

Senior UK Student Recruitment & Outreach Lead

Jan 2023 – Oct 2025

University of Greenwich

Greenwich, London

- Coordinated multi-channel marketing campaigns and regional events across England and Wales, leading a team of 10+ ambassadors and delivering presentations to engage diverse stakeholders and prospective members.
- Managed stakeholder communications and audience segmentation via CRM databases (Dynamics365), tracking inquiries, maintaining contact databases, and driving campaign conversions under tight SLAs.

Teacher Assistant

Jan 2022 – Jul 2022

Brompton Academy

Gillingham, Kent

- Synthesized complex concepts into engaging, visual print and digital presentations for cohorts of 30+ students, adapting tone of voice to foster inclusive learning and audience participation.
- Facilitated collaborative workshops and creative problem-solving sessions, guiding participants through structured ideation and building confidence in written and verbal communication.

EDUCATION

University of Greenwich

Sep. 2022 – Jul. 2025

Computer Science BSc (Hons)

Greenwich, London

- **Honors & Awards:** Faculty of Engineering & Science *Making a Difference Award*, University *Instrumental Ambassador Award*
- **Leadership:** President of Computer Science Society (led community initiatives, DE&I advocacy, budgeting, and creative workshops), Student Rep
- **Relevant Focus:** User Experience (UX), Digital Content Optimization, Web Systems (CMS/HTML), Data Analytics, Inclusive Communications

PROJECTS & COMMUNITY INITIATIVES

Digital Campaigns & Multimedia Storytelling

Content Strategy | Video Production

- Spearheaded end-to-end video and social campaigns, directing scripting, filming, and editing in Adobe Premiere and Canva with custom branding and accessible captions to drive measurable engagement.
- Crafted tailored messaging and targeted outreach to elevate underrepresented voices, championing diversity, equity, and social mobility across digital platforms.

Sincerely: Digital Keepsake & Gifting Platform

Product Strategy | UX Research | Monetization

- Conceptualized and launched a multi-sensory gifting platform solving the emotional disconnect of traditional e-cards, blending physical stationery romance (interactive wax seals, 300 DPI gift slips) with rich digital media.
- Designed a zero-friction recipient journey requiring no app installation or account creation, while structuring freemium-to-premium subscription tiers to drive sustainable user acquisition and retention.
